

## Voluntary Right to Buy (VRTB)

# Voluntary Right to Buy

The deadlines for us to receive applications forms from customers wishing to apply for the VRTB have all now passed and if your application form was not received by us within 4 weeks of the issue of your URN then your URN will have expired. You will therefore not be able to apply to purchase your home via the VRTB pilot scheme.

If you registered on the Government portal but were not successful in receiving a URN, you can register on the [Government portal](#) for any updates in relation to future developments in this area. [Guidance is attached](#)

If you have sent in your completed form by the deadline applicable to you then we will acknowledge your form and contact you about next steps. PLEASE BE AWARE that we are dealing with a significant number of applications at this current time, so whilst we will seek to acknowledge your application form quickly - so that you can be assured that we have received it - it may take us a few weeks to come back to you with any further information.

During this time if you make any changes to your contact details â phone numbers or email addresses â please notify us by email on [BuyMy.Home@accordgroup.org.uk](mailto:BuyMy.Home@accordgroup.org.uk) quoting your URN, so we can be sure we have the best and most up-to-date way of contacting you
